

Shared Mailings – Summary of Options and Prices

Shared mailing packs are sent to schools on a regular basis. Each pack contains a variety of literature for different teachers. Each leaflet is marked top right with the title of the teacher for whom it is intended, and is forwarded by the school administrator.

Shared mailings are arranged to reach the following groups of schools

Technical details, costs and other matters...

- (1) Print prices are for black on white two sides, suitable digital art work supplied. Please call for other prices.
- (2) Regional selection by postcodes. The first price is for one leaflet, the second price for two leaflets. Not available on all mailings – please call for details.
- (3) The weight charge applies where the leaflet is over 15g. Where two leaflets are supplied weight of leaflets are combined.
- (4) Raising Response Rates service. Send us your proposed art work and we'll discuss it with you in confidence giving guidance or how to raise your response rate, based on 30 years of experience in the shared mailing market.

Scotland, Wales, and N Ireland may be selected out of the list for an additional fee – but please note this is not available in all services.
